The cast from the classic Archie comics has been reimagined in this new, middle-grade graphic novel series debut!

If The Baby-Sitters Club were set in Riverdale, they'd be Little Bee's first ongoing middle-grade graphic novel series, The Riverdale Diaries. *Hello, Betty!* is the debut volume for the series featuring everyone's favorite girl next door, Betty Cooper. Betty and her best friend, Val Smith, are about to start middle school, and they've always done everything together. They play together, have classes together, and want to study the same things together. Or so Betty thinks! When Val unexpectedly signs up for a music elective, she and Betty are separated for the first time since they met many years ago. Worse, Betty is now stuck in the loser drama elective, which is dominated by the snobby Veronica Lodge. Is middle school doomed to be the absolute worst time of Betty's life?
