

# How do you imagine the world?

*You can't make a change until you have a goal in mind. Draw what you want the world to look like!*

# Anyone can make a difference...

## How will you start change in your community?

Something that could be better about my community is...

I would like to change my community's...

I can make change by...

I want to continue making the world a better place by...

# Little by little...you can put this puzzle back together!

*Get an adult to help you cut out the pieces, then  
try assembling the puzzle back together!*
