# Love big and make a tissue paper flower bouquet

You will need:

- tissue paper
- chenille stems
- scissors

Fold a sheet of tissue paper into quarters. Trim to about 7" tall. Use 3 of the pieces.

Accordion fold the 3 pieces.

Using scissors, trim the ends to be round. Fold in half lengthwise.

Tightly twist a chenille stem around the middle, about a third down and use the extra to twist a leaf.
